# General Rules and Conditions

## Hot Weather Policy – as per discipline rules

Horses exercising and competing in hot environmental conditions can be affected by heat stress. When environmental heat conditions are adverse, exercising horses require appropriate cooling measures to safeguard their welfare. The primary responsibility for the welfare of horses competing and exercising during hot weather lies with the rider of the horse. Riders must always take action to prevent, manage and treat heat stress in their horses. Event organisers are responsible for providing adequate facilities and information that riders need to safeguard the welfare of horses. Access to ice and cooling water during competition is a compulsory requirement that arises under certain environmental conditions.

## Horse Welfare

The welfare of the horse is paramount. Instances of cruelty or mistreatment will be reported to the organising committee. As per discipline rules.

**Unsoundness** – Judges are required to satisfy themselves regarding soundness of all horses and therefore have the authority to stop an unsound horse during competition. At other times a horse that is stopped or reported by an official who considers it to be unsound must attend the Veterinary Surgeon before continuing on in competition.

**Medication Control** – Any competitor requested by an official from the Organising Committee to attend for sample testing must present to the Official Veterinary Surgeon as directed.

## Dogs

Dogs must be under effective control at all times and are not allowed in marshalling or competition areas including any part of the indoor arenas. All dogs must be on a leash at all times.

## Image Consent

By entering this event you give your consent to EV to copy or reproduce images of yourself as EV may determine, without acknowledgement of yourself and without your entitlement to any remuneration or compensation now or in the future. The images may be used by EV in multimedia productions, publications, brochures and on the website to promote a range of initiatives for EV. EV agrees not to use any image that may be deemed adverse, or defamatory to the person entering this event.

## Liability

Riders and/or owners whose entries have been accepted will undertake to indemnify the Organising Body against all claims, losses, suits, and damages made against or suffered by the Organising Body by reason of any negligent act or omission on the part of any rider, trainer or attendant whilst attending, riding or otherwise handling a horse and agrees that act or omission on the part of such rider or attendant found in any action against the Organising Body to be negligent, shall be deemed to have been negligent for the purpose of any claim under this indemnity.

## Swabbing
