Horse Riding Clubs Association of Victoria Inc

Section 1. General Rules

General Information

Purpose and Overview of this Manual

The purpose of this Manual is for Members of the Horse Riding Clubs Association of Victoria (HRCAV) to be able to understand and adhere to the Rules, Regulations, Principles and Objectives of the Association. No personal reference shall be made on documents bearing the HRCAV logo and/or name.

The Manual has been divided into sections to aid in referencing material

The Manual is deemed to be a “tool of trade” for all Officials of the Association and as such it is available for purchase by Officials at a discounted price. Please contact the HRCAV office for details.

IT MUST BE NOTED THAT IT IS THE RESPONSIBILITY OF HRCAV CLUBS AND/OR MEMBERS, TO ENSURE THAT MANUALS ARE KEPT UP-TO-DATE.

Any changes in the Rules etc. will be advised through the HRCAV's monthly Newsletter and posted on the HRCAV website. It is the responsibility of the Clubs and members to know the Rules and Regulations of the Association. Ignorance of the Rules is no excuse.

Objectives

The objectives of the Association, apart from overseeing the overall interests of its Members, are listed in the Constitution (refer Constitution Section) and are summarised as follows: -

- a) To promote interest in equestrian sports.
- b) To promote good fellowship among those interested in equestrian sports.
- c) To educate, train, coach and encourage members of the Association.
- d) To do all such things and acts conducive to the furtherance of the objects and interests of the Association.

The Association has an Executive Committee to oversee the administration of the Association together with Sub-Committees for the disciplines of Dressage, Jumping, Showing and Level Assessment whose charter is to further improve these disciplines. Clubs are encouraged to nominate members to these Sub-Committees.

Code Of Conduct and Ethics:

It is expected that all Member Clubs and members of affiliated Clubs (hereinafter known as members) abide by the Rules of the Association at all times and conduct themselves in a polite and orderly manner respecting other members of the Association and the authority of Officials and Organisers. Any complaints regarding individuals breaching the Association's Rules or Code of Conduct shall be brought before the HRC AV Executive Committee, which may result in fines or suspension from Competition placed upon them. Breaches of the Code of Conduct shall be dealt with as described in the Disciplinary Rules.

Officials and Office Bearers

A list of HRC AV Officials can be found in the Appendices of each discipline Rule Book. These lists will be updated from time to time and/or modifications published in the Association's newsletter and on the HRC AV website.

A list of past and present HRC AV Office Bearers can be found in the History Section of this Rule Book.

Explanation of Terminology

In accordance with the Australian Standards, there are two categories of performance Standards specified - MANDATORY and VOLUNTARY. Mandatory parts are designated by the word shall or must and specify the absolute minimum acceptable parameters. Voluntary parts are designated by the words 'may', 'should', 'recommended'.

Text denoted as 'Note' are for guidance in interpretation.

HRC AV Apology

It is the policy of the HRC AV to use and encourage the use of non-sexist language. Unfortunately the English language does not provide neutral terminology to refer to both sexes simultaneously in some instances.

Parts of this material may occasionally refer to the horse and/or rider as "He or Him". We apologise for any offence this may cause to readers.

THE HRCAV's History

During the early part of 1981, a number of informal discussions were held between Hillside, Pakenham Upper, Hallam, Ringwood and Keysborough Riding Clubs to explore the possibility of forming an Association.

Some of the objectives seen as important at this time were improved communication between Clubs, working to make horse riding and competition more enjoyable, and the promotion and pride of belonging to a Member's own Club. Following these discussions, a draft Constitution was prepared and circulated to Riding Clubs.

As a result of this initiative, the Horse Riding Clubs Association of Victoria came into being at a general meeting of Riding Clubs held on 26th October 1981, where a Constitution for the Association was formed.

THE TOP TEN AWARDS

The HRCVA Top Ten Awards is a program that recognises the Top Performers in each discipline of Competition over the period 1 September to 31 August each year. The Awards are presented at the HRCVA Annual General Meeting or Presentation Night.

- Points are allocated in line with performance points gained by combinations for placings in Official HRCVA events including Navigation Rides.
- In Navigation Rides, only pairs entered in the official HRCVA section are eligible for points.
- In Dressage, only points earned in the combination's assessed level will count towards the cumulative points for the Award.
- Points will not be allocated for placings at events which are cancelled prior to the completion of all official classes
- Should there be combinations on equal points on the Leader Board, the combination earning the higher number of first placings shall be declared the winner. Should this process not determine the winner, then the combination with the higher number of second placings shall be declared the winner. If necessary, the process will be repeated, taking into consideration third placing then fourth placings. Should the application of the process not determine a winner, equal status shall stand.

THE HUNDRED POINT AWARD

The Hundred Point Award is attained by any Horse/Rider Combination who earns 100 competition points in the disciplines of Dressage, Combined Training, Showjumping and Navigation Rides.

In Showing only, the Horse/Rider Combination must earn 300 competition points to be eligible for the Award.

In Horse Trials only, the Horse/Rider Combination must earn 50 competition points to be eligible for the Award.

- Points are Performance Card points gained for placing at Official HRC AV Events and DO NOT include points “assumed” when a Combination is Level Assessed.
- Upon a Combination earning the required points within a discipline the Member must provide their Club Secretary with their Performance Card for verification.
- The Club Secretary must send a photocopy of the relevant Performance Card together with a letter to the HRC AV confirming the Member’s eligibility to receive the 100 Point Award Trophy.
- The HRC AV Executive Committee will ratify the attainment of the Award and advise the Club Secretary and Awardee in writing, inviting the Awardee to attend the HRC AV Annual General Meeting for presentation of the Award.
- The Trophy for this Award will be to a value as determined by the Executive Committee and engraved as appropriate.
- Special Achievement Awards recognising horse and rider combinations which fail to reach the required number of points due to unforeseen and tragic circumstances may be made under this category. There must be a reasonable expectation that achievement of the required number of points was imminent.

CHAMPION AND RESERVE CHAMPION RIDER AWARD

These awards are for a Champion/Reserve Champion Rider/Horse Combination in each Level over the period 1 September to 31 August each year if sponsorship is retained. The aim of this award is to recognise those members who are “all rounders” ie. the Combinations have competed and placed in a minimum of THREE DISCIPLINES of the HRCVA recognised equestrian disciplines – including at least one jumping discipline.

- To be eligible for the Award, members must compete and place in a minimum of THREE disciplines – at least one of which is a Jumping discipline.
- If a member places in more than three disciplines, the points achieved in all disciplines will count towards the Championship. However, no more than 60% of the total points allocated for the award shall be from any one discipline. (from Sept 19)
- Points will be awarded in line with performance points earned. Only the best placing at an event will count towards the cumulative points for the Awards.
- Points will not be allocated for placings at events which are cancelled prior to the completion of all official classes.
- Points will be accumulated across the Award period (1st September to 31st August) and the awards will be presented based on the combination's highest level in Dressage, Showing, Show Jumping, Combined Training or Horse Trials as at 31st August, being the last day of the Award period. Points will be accumulated across levels.
- Should there be combinations on equal points in first or second position on the Leader Board, the combination which has earned points in the higher number of disciplines shall be placed higher. Should this process not determine the Champion and Reserve Champion Rider, then the combination with the more even spread of Champion Rider points across the disciplines shall be placed higher.
- The Awards will be presented at the HRCVA Annual General Meeting or Presentation Night.

TOP CLUB AWARDS

These awards are for the Top Clubs in a range of categories over the period 1st September to 31st August each year if sponsorship is retained. The aim of this award is to recognise those Clubs which promote interest in equestrian sport and train, coach and encourage their members.

- Performance points earned by members during the period 1st September to 31st August will be allocated to their primary Club (as at 31st August of the award period).
- A member's primary Club is the Club through which their HRC AV levy has been paid. Points are not transferrable to other Club/s.
- Only the best placing at an event will count towards the cumulative points for the Top Club, Top Regional Club and Top Small Club Awards.
