

Champion Rider Award

The Champion Rider Awards are presented to the Champion and Reserve Champion Rider/Horse combination in each level over the period 1 September to 31 August each year. The aim of this award is to recognise those members who are 'all rounders' ie: combinations which have competed successfully in a range of disciplines.

To be eligible for the award, members must compete and place in a minimum of THREE disciplines – at least one of which is a jumping discipline.

- If a member places in more than three disciplines, the points achieved in all disciplines will count towards the Championship. However, no more than 60% of the total points earned shall be from any one discipline
- Points will be awarded in line with performance points earned. Only the best placing at an event will count towards the cumulative points for the Awards
- Points will not be allocated for placings at events which are cancelled prior to the completion of all official classes
- Points will be accumulated across the Award period (1st September to 31st August) and the awards will be presented based on the combination's highest level in Dressage, Showing, Show Jumping, Combined Training or Horse Trials as at 31st August, being the last day of the Award period
- Points will be accumulated across levels

Level 1 / Adv	Kay	Harding	Jirrima Candyman	Gerogery Equestrian Club
